

### REMARKS

The Office Action of April 4, 2007 was received and reviewed. The Examiner is thanked for reviewing the application.

Claims 1-45 were pending prior to the instant amendment for consideration. By this amendment, claims 33 and 34 have been amended to correct typographical errors as indicated by the Examiner. Accordingly, claims 1-45 remain pending for consideration, of which claims 1, 3, 6, 9 and 32-24 are independent.

On page 2 of the Office Action, the Examiner objected to formal matters with regard to claims 33-45. In particular, the Examiner notes misprints in claims 33 and 34. In response, Applicants have amended claims 33 and 34 to correct these misprints, as shown above, to overcome the objections.

All objections raised in the action having been addressed above, the present application is in condition for immediate allowance. Prompt notification of the same is earnestly sought.

Respectfully submitted,

/Sean A. Pryor, Reg. # 48103/
